**Churches Open on the 10<sup>th</sup> of May**

We are delighted with the news that from Monday 10<sup>th</sup> May churches and  
 places of worship will be open for people to attend Mass or other religious  
 ceremonies. Our first Mass open to the public will be on Monday 10<sup>th</sup>  
 May at 7.00p.m.

The maximum number of people allowed to attend is 50. The two-metre  
 social distancing rule still applies. As when we opened last summer there  
 will only be one entry point that is the main door at the front of the  
 Church. Stewards will direct you to the hand sanitizing stations and then  
 to your seats. The seats will be clearly marked. Three individual people  
 from different households to a seat. Families from the same household  
 may sit together. The stewards will direct you to Holy Communion and at  
 the end of Mass we are asking people to exit the church gradually and  
 safely.

Because the maximum number of people allowed to attend is confined to  
 50 for the moment, it may not be possible to accommodate everyone who  
 may wish to come into the church. In that case parishioners will be able to  
 hear Mass in the car park through the Car Park Radio. Tune your car radio  
 to 107FM. For Holy Communion we ask you to remain in your car and  
 Holy Communion will be brought to you.

For the time being we suggest that parishioners come to Mass once a  
 week in order to give all those who wish to attend an opportunity to attend  
 Mass within the church building. We ask you to follow the guidance of  
 the stewards at all times. The church will need to be cleaned thoroughly  
 after each time that it is used. The cleaning of the building after each Mass  
 is essential to maintain safety and prevent the spread of the virus.

**Stewards**

I want to thank the great army of stewards who volunteered all last year to  
 keep the church open and safe for all those who visited the church.

Stewards are essential if the church is to be opened safely. Once again  
 we need the assistance of many stewards and helpers. I want to thank all  
 those who have already volunteered, but we need many more helpers. Any  
 individual over 18 years of age and with no underlying health conditions  
 is welcome to help with the stewarding and cleaning. We ask all our  
 current stewards and anyone else who is willing to help out with the  
 stewarding to contact Anne our parish secretary this week to confirm that  
 you are available. Tel 086/8661651 Church 51915 Office 31133  
 The current Mass schedule will remain in place for the summer.

**PRAYER TO BE A TRUE BRANCH ON THE VINE**

Lord Jesus, let us realise that every action of ours no matter how small or  
 how secular enables us to be in touch with You. Let our interest lie in  
 created things – but only in absolute dependence upon Your presence in  
 them. Let us pursue You and You alone through the reality of created  
 things. Let this be our prayer – to become closer to You by becoming  
 more human.

Let us become a true branch on the vine that is You, a branch that bears  
 much fruit. Let us accept You in our lives in the way it pleases You to  
 come into them: as Truth, to be spoken; as Life, to be lived; as Light, to  
 be shared; as Love, to be followed; as Joy, to be given; as Peace, to be  
 spread about; as Sacrifice, to be offered among our relatives and friends,  
 among our neighbours and all people. Amen.

**Bound together**

Have you ever visited a vineyard, with its rows of vines, heavy with clusters of ripe grapes? If you're not familiar with vines, think of an apple tree laden with apples, or a fruit bush ripe for picking. In today's Gospel, Jesus uses the metaphor of a vine to describe his relationship with his disciples. He tells them that he is the vine, and they are the branches. The life of Jesus flows into us and sustains us, and this is the reason our lives can bear fruit in love, in kindness, patience, compassion and welcome. The symbolism of the vine works on many levels. If a branch is separated from the vine, it cannot flourish on its own. It must be connected to the vine from which it gets its nourishment. Each of us must be firmly rooted in Jesus and nourish that relationship. He invites us to 'remain' in him - to rest in him, to be part of him.

And if you look at a vine plant, often its branches are so entangled, it can be hard to know where one ends, and another begins. We note that Jesus is addressing the disciples as a group rather than as individuals: 'you are the branches'. We are a community, and we grow together, bound together by the love of God.

Today, we reflect on what it means to be so intimately connected with Jesus, the true vine. We bring to mind the many gifts he has given us, and the ways in which his love bears fruit in our lives.
