## Trócaire Lenten Campaign for 2020

This year's Trócaire Lenten campaign is about mothers protecting their families. The Trócaire box tells the story of two mother: Angela in Honduras who is protecting her family's land from logging companies, and Madris in Kenya who is trying to provide for her family in the face of climate change. It tells two very different stories but both are linked by mothers trying to provide futures for their children.

## LENT 2020

**This Lent your support can help women like  
Angela and Madris to protect their families**

## Daily Lenten Prayer

Today Lord, I choose life,  
I choose your love and the challenge to live it and share it,  
I choose hope, even in moments of darkness,  
I choose faith, accepting you as Lord and God,  
I choose to let go of some part of my burdens,  
day by day handing them over to you,  
I choose to take hold of your strength and power ever more deeply in my life.  
May this truly be for me a time of new life, of change, challenge and growth.  
May I come to Easter with a heart open to dying with you  
and rising to your new life, day by day. Amen

## Our Common Home

*“Change is something desirable, yet it becomes a source of anxiety when it causes harm to the world and to the quality of life of much of humanity....humanity has disappointed God's expectations (&61)” Pope Francis....Laudato Si)*

Pope Francis's encyclical Laudato Si'- On care for our common home was published on the 18th June 2015. This ground-breaking letter, written to every person on the planet, explores in detail the causes and effects of the environmental degradation that is being observed the world over including climate change and the effects it is having on the most vulnerable of communities. Pope Francis calls all of us to urgent action to combat the destruction that is being inflicted on earth, our common home and reminds Christians of our duty to be good stewards of creation . This lent we could do one extra practical thing in the parish or home setting to answer this call.

“Francis, repair My house which, as you can see, has fallen into ruin.

## Prayer for a better world

St Francis of Assisi. Let me be an instruments of conservation..  
Where there are renewable resources, let there be recycling.

Where there is pollution, let us clean up  
Where there is no forest, let us plant trees.  
Where there is a disaster, let us rebuild  
Where there is a glut of food, let us give to those less fortunate.  
Oh, Patron saint of ecology, give us the courage to admit the wrong we've done to the environment, not to say “ what's done is done” but to right the wrong that has been done.  
Let us have the courage to co-operate with our neighbours  
To make the earth as beautiful a place as God intended.

**Colaiste Ide agus Iosef Transition Year students** are presenting their production of a “Medley of Musicals” next week . It will be held in Colaiste Ide agus Iosef, Abbeyfeale on the 9th and 10th of March with the show starting at 7.30pm each night. Speaking about the production, teacher Con Healy has said; “We are looking forward to this production as we know seeing some of the rehearsals that it will be a very enjoyable evening. This is due in no small part to the commitment and work rate of each student. The entire process is a great bonding experience for all students, where self confidence and leadership skills are enhanced”.

This will be a gripping show full of thrills, music and a lot of laughs. With dances set to songs from Beyonce and Billie Eilish to skits such as Crime Busters and Beauty and the Beast. A truly enjoyable evening to look forward to.

Tickets for the show are available from the school on (068)30631 and Ann Lyons, Main Street, Abbeyfeale. Tickets cost €10 each.

## Reflection

We too should follow Jesus to the mountain top  
but we should follow him too– down again  
for it is in living and serving others,  
in seeing in all people the image of God that we can truly follow Jesus to his  
home with the Father.

*Lord, the glory which we see in your Transfiguration will one day be ours.  
We thank you for your promise and the gift of hope in this promise. Help me to  
see in all people the image of your glory, that in each person I meet lives the love  
and light of your Holy Spirit. Amen.*
