October Month of the Rosary

The Rosary has been described as the gospel on its knees. The fifteen decades, or twenty decades if we include the Mysteries of Light introduced by St Pope John Paul II, are an invitation to reflect on the great mysteries of the Lord's life, passion, death, resurrection and glorification, and on the role of Mary within those great mysteries.

For example, the third glorious mystery of the Rosary, (The descent of the Holy Spirit), invites us to ponder on what happened on that first Pentecost day when the Holy Spirit descended on the apostles. At the time the apostles were gathered in prayer with Mary. The first joyful mystery (The Annunciation), calls us to reflect on the call of Mary. Mary's 'yes' to God's call to her through the angel Gabriel made possible the beginning of the mystery of Jesus' life.

The coming of the Holy Spirit at Pentecost upon Mary and the disciples made possible the beginning of the life of the church. Mary was there at the beginning of the story of Jesus and at the beginning of the story of the church. She was there throughout the public ministry of Jesus, even if in the background, and she was present in the hour of Jesus' passion and death.

Mary contemplated and pondered upon the mysteries of Jesus' life, death and resurrection in a way that was unique to her, as a mother.

Present at the beginning of the church, she is present with the church throughout time, inviting us also to ponder and reflect upon the mysteries of the life, death and resurrection of her Son.

The Rosary is a wonderful way to enter upon this contemplative journey, in the company of Mary.

World Mission Sunday

World Mission Sunday is celebrated in every Catholic community in the world. It's a moment of grace to express solidarity with our brothers and sisters in Christ who are living in situations of poverty, violence and oppression. Every parish, school and community is invited to join this special event, and every cent, euro and prayer you give to the Missions helps missionaries everywhere continue their work. In his message for World Mission Sunday, Pope Francis says: 'Jesus needs hearts capable of experiencing vocation as a true love story that urges them to go forth to the peripheries of our world as messengers and agents of compassion'.

This year we will celebrate World Mission day on Sunday 24th October.
