Prayer for the Synod
Adsumus Sancte Spiritus

Every session of the Second Vatican Council began with the prayer *Adsumus Sancte Spiritus*, the first word of the Latin original meaning, "We stand before You, Holy Spirit," which has been historically used at Councils, Synods and other Church gatherings for hundreds of years, being attributed to Saint Isidore of Seville (c. 560 - 4 April 636). As we are called to embrace this synodal path of the Synod 2021-2023, this prayer invites the Holy Spirit to operate within us so that we may be a community and a people of grace. For the Synod 2021-2023, we propose to use this simplified version, so that any group or liturgical assembly can pray more easily.

We stand before You, Holy Spirit, as we gather together in Your name.

With You alone to guide us, make Yourself at home in our hearts;

Teach us the way we must go and how we are to pursue it.

We are weak and sinful; do not let us promote disorder.

Do not let ignorance lead us down the wrong path nor partiality influence our actions.

Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right.

All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen.
