MISSION SUNDAY 21ST OCTOBER

This October Mission Sunday will be celebrated on the 21st. On the day, collections from masses worldwide will go entirely to support the fearless and selfless work of missionaries - our brothers and sisters who go to the grassroots level to help struggling communities in the developing world.

The support you give this October means that missionaries can continue to empower local people to build self-sufficient communities of faith, hope, and love. The support you give can and will change lives! Collection Boxes at the doors of the Church.

Autumn Station can be handed in at any Mass during the month of October.

Wedding Congratulations

Congratulation to Michelle Murphy and Matthew Tierney who celebrated the Sacrament of Marriage in Abbeyfeale on Friday 19th October. We wish them every happiness in their married life together.

Do This in Memory of Me

Do This in Memory is a parish based programme of preparation for First Communion centred in the parish celebration of the Sunday Eucharist and in the home.

It is designed to help children, parents/guardians and the wider parish community prepare for First Eucharist.

The programme resources are designed to facilitate parents/guardians, families and the parishes' active involvement in the preparation for the sacrament. It complements and supports the work of sacramental preparation in the parish school. The programme takes place once a month for eight months before First Eucharist and concludes during the parish celebration of the Feast of Corpus Christi.

This weekend we will welcome the parents/guardians and families of those preparing for First Eucharist to the 9.15a.m. Mass.

Youth Clubs / Youth Service Collection

This collection will be taken up at all Masses next Weekend. Your support is much appreciated. As you know we have four youth clubs in the parish and they need to be supported in every way we can.

Thanks to the volunteers who make it possible.

Prayer for vocations

Father, in the power of your Spirit. You sent your Son to bring hope to all peoples. We pray that you will give the same Spirit to young men and women, so that they, like Jesus, may answer your call to bring Good News to the poor, give new sight to the blind, and announce that the Kingdom of God has come.

We Believe

That you are a unique person. That your community, nation and world need what you have to give. That fault-finding has its place, but that constructive action is the best and most lasting response to the short-comings of society. That each of us is called by God to become personally and actively involved in seeking solutions to the problems that confront us all. That each of us is entrusted with a job to do – one that has been given to no one else. That whoever and wherever we are, each of us has an opportunity to help shape the world we live in. That the basic approach is summed up in the words- I BELIEVE
