Confirmation day in Abbeyfeale Congratulations

We would like to congratulate all the sixth class pupils who received their Confirmation on Friday. May the Holy Spirit guide and direct them in the years ahead. May their families continue to support them in the practice of their Faith.

We would like to extend a huge thank you to Bishop Brendan Leahy for administering the Sacrament of Confirmation in our parish

We would also like to thank all of those involved in helping with the preparation for this Sacrament. A special word of thanks to the teachers of each school, the co-coordinators, the leaders, the families, the pupils themselves and everyone who helped decorate and prepare the liturgy for this special day. A special thanks to the transition year students who delivered the healthy life programme to the confirmation candidates this year and to the Abbeyfeale initiative for organizing the parents talks. Many Thanks.

Come Holy Spirit, fill the hearts of your faithful. Enkindle in us the fire of your Divine love. Send Forth your spirit, and we shall be created, and you shall renew the face of the earth. Amen

Ukraine Humanitarian Initiative extract from Vatican letter (see notice board for full letter)

Due to the particularly grave situation facing the Ukrainian people, the Holy Father has wished to draw attention of the faithful to the tragic consequences of the ongoing conflict, overlooked by many. For this reason he announced during the Regina Coeli of 3 April last that a special humanitarian initiative will be implemented by means of a collection to be held throughout Europe on Sunday 24th April. Information regarding the humanitarian crisis in Ukraine (see notice board for all the text information) Presently there are approximately 3 million people living in conditions of extreme hardship in those regions most affected by the conflict. Most of these are elderly residents who were unable to leave the combat zone. Regarding housing, from 12,000 to 15,000 home have been damaged, and more than 1,000 completely destroyed. The situation will be particularly dire during autumn and winter due to severe weather.

A great number of children are unable to attend school. 200,000 have found safe haven in regions of Ukraine outside of conflict areas: one out of four, therefore, is displaced. Many are affected by serious psychological trauma caused by the violence they have witnessed and themselves experienced: some have even lost the ability to read and write. See notice board for further information.
