Postponement of the Celebration of Confirmation & First Holy Communion

There is great disappointment in the parish this week following the decision to postpone the celebration of Confirmation and First Holy Communion. Earlier this week the Department of Public Health Mid-West, Health Service Executive, strongly advised parishes to postpone the celebration of Confirmation and First Communion until September.

The HSE indicated the reasons for this recommendation are: 1) the rate of infection is still high; 2) a lot of parents will not have been vaccinated; 3) a lot of queries asking for their recommendation.

A spokesperson for the HSE told the Limerick Leader this week that

"While we are confident that churches and places of worship have been generally safe environments within the parameters of Public Health guidelines, indoor gatherings and celebrations traditionally associated with Communions and Confirmations are considered high-risk settings for those who are unvaccinated,"

There is also concern that the situation will become more serious still with the Delta variant and who knows what might happen next week regarding the easing of restrictions for July 5th. We will keep the situation under review and please God come September we will be in a much safer position to celebrate the sacraments. Meanwhile we encourage parents to continue to pray with their children and to bring them to Mass during the summer holidays.

We acknowledge the huge amount of work done by teachers and parents in preparing the children for our ceremonies in July. This work will stand to the children when we do get to celebrate the sacraments in the autumn.

LOUGH DERG 2021: Lough Derg regrets that it will not be possible in 2021 to reopen Station Island for the Traditional 3 Day Pilgrimage or even for the autumn programme of Day Retreats. Lough Derg will again offer the opportunity to " Do Lough Derg from wherever you are" on July 3-5. The outdoor Pilgrimage on the Lough Shore Pilgrim Path will also be available as the summer goes on. Summer Holidays

The school year is coming to conclusion and we want to wish all the pupils and staff members of our parish schools a very happy and safe holiday. Due to the ongoing pandemic it has been another challenging year for everyone in our school communities.

We acknowledge the great work done to ensure that our schools remained open during this difficult period. This could only have been achieved by the collaboration and goodwill of everyone involved.

For our 6th class children, it is the end of their time at primary school. It is a time for them both to look back and give thanks for all that they have learned, for the life-long friends they have made and for the care and guidance of their teachers. They look forward to new schools, new friends and new beginnings in September.

We wish them every blessing and success in the years ahead.

Thank you to all our teachers and staff member who worked tirelessly throughout the year to meet the needs of all the children entrusted to their care.

Thank you to the parents who work with their children, and the school, to support the home-school connection that is vital for pupil success. Thank you to all those parents and guardians who volunteered to assist our schools in so many ways.

Your involvement is invaluable.

Thanks to all the members of the boards of management for their time, their interest and their management of our parish schools. Finally, we thank our children for always working to the best of their ability throughout the school year. We are confident that they will continue to build upon the knowledge and skills that they acquired this school year. Wishing all of you a wonderful summer filled with blessings and God's grace. Be safe and enjoy the days ahead of rest and relaxation!!

Fr Tony

Summer blessing for families:

May we make our homes places of relaxation, joy, love, peace and safety.

May we be generous and considerate, not thinking only about ourselves, but helping others enjoy the blessings of the summertime.

Lord God, Creator of all things, guide our steps and strengthen our hearts during these months of summer and vacation days.

Grant us refreshment of mind and body.

May we constantly strive to make a meaningful difference in the lives of our loved ones and in the world around us as we enjoy the warm days of summertime.

We ask this through Christ our Lord. Amen.
