**September – A Time for New Beginnings**

This weekend we are resuming the publication of our parish newsletter. It's a time of year for new beginnings and making a fresh start. By the end of this week all our schools will be open as the new school year begins. It is a time of transition from the work and leisure of summer back to the classroom. It is transition from time spent with family and friends. We wish all our children and young people every blessing as the new school year begins. It's a new beginning with endless opportunities for learning, making new friends and for growing in every possible way.

We pray for our teachers, special needs assistants and all school staff members as they return to work. We wish them every success in the year ahead. September is a time of new beginnings filled with excitement, adventure, and some anxiety too. We pray that God will give all pupils a new perspective to see fellow students, teachers, events, and school work as an invitation to develop the many gifts that God have given them to be used in service for others. Let us support each other on this journey. Let us encourage each other to make the best of our time and be there for one another as a new school term begins.

**Congratulations – Leaving Cert Class 2023**

Congratulations to all leaving cert students who received their exam results on Friday. Ahead of the results announcement, Bishop Brendan Leahy, Bishop of Limerick, said it's important that the exams are put into perspective as they do not define people's lives. Bishop Leahy continued, *"These exams are, of course, academically important at this stage of their lives but there is no one I know who would look back thirty years or so later and say their life course was set just by their Leaving Cert weeks. So there does need to be a level of perspective put here, that if the exams don't work out as the students hope, other doors can open."* We wish all students every success as a new chapter in their lives opens up for them.

**Prayer for Children returning to School**

Lord, I pray for students and learners. Give them minds that are eager to learn. Give them courage to ask good questions, confidence to take risks, and the discipline to focus and study. I pray for quality friendships and safety in and out of the classroom. I pray for the children who struggle with anxiety and fear; may they feel your perfect love surround them, and give them the courage to get through each day. I pray that learning is engaging, valuable, and exciting. Give our students focus and direction as they prepare for what lies ahead.

**The Season of Creation 2023**

The Season of Creation has a special significance for the Catholic Church, particularly since Pope Francis established 1 September as an annual **World Day of Prayer for the Care of Creation**. The Season of Creation is marked throughout the Christian world from 1 September to 4 October (Feast of Saint Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. This year's theme is "Let Justice and Peace Flow" taking inspiration from the Prophet Amos who declares: "Let justice roll on like a river, righteousness like a never-failing stream!" (Amos 5: 24). And so we are called to join the river of justice and peace, to take up climate and ecological justice, and to speak out with and for communities most impacted by climate injustice and the loss of biodiversity. As the people of God, we must work together on behalf of all Creation, as part of that mighty river of peace and justice.
