## Preparing for Confirmation

On the 15th of May, Bishop Brendan Leahy will visit the parish to administer the Sacrament of Confirmation. Since September the children have been preparing enthusiastically with their teachers in school and have participated in the parish programme 'You shall be my Witness'. The children have also attended a programme designed by the Catholic Church on healthy life choices, dealing with drugs, alcohol and the use of social media. This programme was delivered in Coláiste Íde agus Iosef, by the transition year students who were trained to give the programme by Mr. Darren Butler the National Coordinator of the programme.

Confirmation marks a time when young people are moving on from childhood to the teenage years. For many parents it is a time of some anxiety: what pressures will the teenage years bring? How will they cope? Confirmation offers young people an opportunity to think about serious choices that are facing them- choices about values, choices about lifestyle and of course choices about faith.

As we make our final preparations for the celebration of Confirmation, a meeting of parents will take place on **MONDAY 30TH OF APRIL** at 7.30p.m. in Coláiste Íde agus Iosef. Darren Butler, coordinator of the Healthy Life Choices Initiative will address the meeting along with some of the Transition Year Students who worked with the Confirmation Classes. We will also look at all that needs to be in place for Confirmation on the 15th of May. We look forward to welcoming all parents of sixth class.

**Bishop Brendan Leahy** would like to invite all Parish Pastoral Council members and Parish Finance committees along with clergy to a large gathering in Limerick Racecourse, Patrickswell on Tuesday 1st May at 7:30pm to present the draft proposal and begin discussions in parish groupings.

## ABBAYFEALE PARISH CHURCH celebrates its Jubilee this year.

The church was opened in June 1968. It has been suggested that an exhibition of memorabilia connected to the building and opening of the church would be a nice part of the celebration. If anyone out there has anything of interest and would be willing to lend it for this exhibition please contact 089 4356981.

**The Jubilee mass takes place on June 16th at 7.30 pm.**

## A Word from Pope Francis

Pope Francis has sent an important message to young people about the search for vocation.

In the letter, divided into four sections, the Holy Father asks youth not to allow fear control their lives. He says this fear can be that of not being loved, being unable to find work or of God asking too much of them. The Pope urges them to broaden their horizons and not waste these years, before also giving them this advice:

*"Do not allow the spark of youth to be extinguished in the darkness of a closed room in which the only window to the outside world is a computer and smartphone. Open wide the doors of your life! May your time and space be filled with meaningful relationships, real people, with whom to share your authentic and concrete experiences of daily life. Pope Francis suggests they have the bravery to live in the present, the "here and now." In fact, he assures them he wants the Church to have "important responsibilities to be given to you."*

Thus, the Pope concludes with the advice "that you may be prepared to take on these responsibilities."

## Youth Ministry Training

Congratulations to Aoife Daly and Stephanie O'Donnell who both completed the recently introduced Diocesan Youth Ministry Training Course. The Youth Ministry Course was one of the proposals of the Diocesan Synod and Stephanie and Aoife were commissioned by Bishop Brendan Leahy along with 29 other people from around the diocese at a special ceremony held on Thursday last in the new Diocesan Centre located at the St Munchin's College Campus, Corbally, Limerick. Aoife and Stephanie are well known and have been involved in Youth Ministry in the parish for many years and will be developing new ways of involving young people in the life of the parish. We wish them well in their ministry.

## Prayer

Give us eyes, Lord , that will see your people as you see them, people in need of love, people who struggle with many personal problems, or peoples who are poor and unfree at the hands of others.

Open our eyes to see others as you see them and to hear their cries for care and for friendship.

May we be people with hearts like yours, compassionate to all we meet. Amen.
