Lead us to love

[This Sundays Gospel](#) speaks of the greatest commandment:

'You must love the Lord your God with all your heart, with all your soul, and with all your mind. This is the greatest and the first commandment. The second resembles it: You must love your neighbour as yourself. On these two commandments hang the whole Law, and the Prophets also.'

A prayer reflection from St Louis

Love the Lord, your God with all your heart with all your soul and with all your mind."Lord, let this be. Show us how."And love your neighbour as yourself." Lord

let this be Take us where we surely need to go. Let your love be the lens that lets us see, the power that enlivens our lives, light that points to the path, and the very grace that saves us. kindly fill us with your love.
