Courage

Give me courage, Lord, today to face what comes along.
Give me the faith and love I need to fill each day with song...
Give me courage, Lord, today to follow in your way;
Help me to do what I should do,
And hear me when I pray...
Give me courage Lord today And strength to do your will;
Lead me and guide me, precious Lord,
For I need your presence still...
Come, take away my pain
You are my Master, Lord, and King and ever shall remain.

Prayer for a better world

St Francis of Assisi. Let me be an instruments of conservation.. Where there are renewable resources, let there be recycling.

Where there is pollution, let us clean up
Where there is no forest, let us plant trees.
Where there is a disaster, let us rebuild
Where there is a glut of food, let us give to those less fortunate.

Oh, Patron saint of ecology, give us the courage to admit the wrong we've done to the environment, not to say " what's done is done" but to right the wrong that has been done.

Let us have the courage to co-operate with our neighbours To make the earth as beautiful a place as God intended.

God is very close indeed; the big secret is that we walk the world of the divine all the time. Allow yourself to experience some of those caresses today. Watch nature come alive
